

Your \$5 Qualifying Contribution

As a candidate to become your Governor in the November election, I am running as a Citizen's Clean Elections candidate. In order to qualify for this program, I need your help. Arizona statutes require that I receive 4,410 individual contributions of exactly \$5 each. This can be in the form of cash or check but must be donated by individuals (of any party) that are registered to vote in Arizona. It is also required that the form below accompany the contribution to be audited for validity by State officials. The contributor must keep a copy of the completed form.

Please print two copies of this page and fill them out completely. Return one with your \$5 contribution and keep one for your records. For mail contributions, please leave the solicitor information blank.

A husband and wife must each return a separate form. They may pay with a single check for \$10 but both must sign the check payable to HF Howard for Governor.

Please mail the form below along with your contribution to;
1509 East Piute Ave, Phoenix, AZ 85024
